

## EQUIPMENT RENTAL FORM 2023 Season

The San Diego Youth Aztecs Youth Football program offers gear rental, but given the increased cost of purchasing new equipment, certifying existing equipment as well as the challenges in recovering equipment from athletes after the season is has ended has forced us to take these measures to protect our assets for the next generation of families. Without equipment to offer new and existing families will not be able to operate as a Youth football organization. Our goal is to retrieve our equipment after the season is over so we may take inventory and re-certify it as quickly as possible due to supply chain issues facing the industry. We cannot achieve this if families do not return our gear in a timely matter.

Given all these factors and after careful consideration over the past 3 years, we have concluded that all equipment rentals will require a \$100 rental fee and \$100 deposit. There will also be a requirement to provide as a photocopy of the renters ID and a major credit card. In the event we cannot retrieve our gear after December 1<sup>st</sup>, 2023, the \$100 deposit is forfeited, and a \$300 additional credit card charge will be invoked. If there are any circumstance where equipment cannot be turned in before December 1<sup>st</sup>, 2023 it is up to the renter to notify [sdyouthaztecs@gmail.com](mailto:sdyouthaztecs@gmail.com) to coordinate a realistic date, time and location to return the rented gear.

We hope things change in the future as our goal is to keep all cost down as much as possible. However, the at the current situation of the last 3 years is not sustainable where close to 15% of our rented gear rented each year is not returned. If you have not returned gear the past, you are **NOT** eligible to return to the Aztecs organization.
