Dear Sponsorship Candidate,

Thank you for reaching out to the San Diego Youth Aztecs Football and Cheer for a sponsorship for the 2024 season. As much as we wish we could sponsor the entire community, we are not able to do so. Please have the parent/guardian of the athlete fill out the top portion of this form and the athlete fill out the bottom. Please email to sd youthaztecs@gmail.com and add in the subject line Sponsorship Candidate when application is complete. You will be notified with one week of the decision made concerning your sponsorship. Thank you and good luck.
