March 3, 2024

Dear Potential Sponsor,

The San Diego Youth Aztecs Football & Cheer (SDYAFC) is a volunteer, tax-exempt nonprofit corporation (Federal Tax ID #20-0914450) in support of our young athletes in the South Bay area of San Diego, CA. Our mission is to support athletes through providing an opportunity for athletes to maximize their full potential as a student athlete as well as leveraging our football and cheer programs to help build mental and physical toughness by facing various challenges through fair competition. These types of opportunities are provided through volunteer work, fundraising, and other activities. We hope to develop enthusiasm and create team spirit by demonstrating that the people in our community support the organization and its football and cheer athletes.

The San Diego Youth Aztecs Football & Cheer program in South Bay is an integral part of the community's environment. The program promotes physical activity and healthy habits while promoting a solid work ethic, teamwork, overcoming adversity, self-discipline, and good sportsmanship. As you know, youth athletic programs have a proven track record of keeping at-risk youth occupied from other distractions that may contribute to unhealthy lifestyles and/or unsafe communities.

As we prepare for the upcoming season, we were accepting cash donations and in-kind donations of sports equipment, goods, or services. If you have contributed in the past, we thank you for your continued support. We hope we can count on you to sponsor us once again this season. Please feel free to make a contribution that you are comfortable with. We will proudly recognize your support on our website and in the annual program. We thank you for your consideration and hope that you will help us make an impact to support our organization, thus making an impact on our youth from our community. Should you have any questions, please free to email us at: sdyouthaztecs@gmail.com

Sincerely,

Travis Faalave

Travis Faalave, President

The SDYAFC Executive Board
